

COUNSELING AND SUPPORT SERVICES ACADEMIC SUCCESS WORKSHOPS

Counseling and Support Services (CSS) offers a series of workshops throughout the semester on various topics to enhance academic success, employment preparation, personal improvement and assistance with the transfer process. The workshops are aimed to assist students in reaching their true potential and are carefully designed to review strategies for student success. Typically the workshops are 60 minutes long and are offered on all three campuses.

The workshops are free and registration is not required. However, you may be asked to let us know you plan to attend so the presenter can be adequately prepared. If the times listed are not convenient or you want to request a topic not listed, faculty and students can also request a workshop presentation. For additional information, contact Anita Polanco at (609) 343-5098 or apolanco@atlantic.edu

Some of the workshop topics scheduled for the fall 2014 semester are:

Time Management: Tips for College Students

How to Improve Your Study Skills

Understanding the Transfer Process

How to Maintain Your "A" Game

The Internet: A Tool for Career Planning

How to Write a Winning Resume

Relationships 101: How to Be a Good "Catch"
